Blown Down

Called him th' Brees... He kept throwin' down the field...
Well now, they called him th' Brees... So many weapons to wield...
He got hit by nobody... 'Til his victory was sealed...

Ain't no change in our runners... Ain't no changes to see...
There ain't no change in our runners... 'Cept that busted up knee...
Ain't runnin' on nobody... Everybody's run o'er we...
And that ain't th' way its supposed to be...

Well now, they called him th' Brees... He kept rollin' down th' field..
Well now, they called him th' Brees... He kept makin' our krewes yield...
He ain't stopped by nobody... Seemed his leg was fully healed...

Apologies to Mr. J.J. Cale...

Defense

Thar was to be no defense. Not against th' boogers, witches and haints that dressed in all manners of black and gold. Th' best chance to stop th' onslaught was to hope for time to run out. But, that's like stoppin' rum from pourin' out of an uncorked bung hole...

All four of th' third down runs moved th' chains. Another ten runs did th' same... Once, th' run game scored a touchdown...

Two of th' three passed touchdowns came on third downs. Thirteen times th' chains moved with th' passin', and only three times did it fail...

Defending the Pass

Forty-two and forty-one on th' deep right for scores. Add another four yards on th' short right to sum up th' scores...

Again, no pressure on th' golden quarterback was to be seen all day.

Defending the Run

Th' story is not new. Thar's no good tale to be told when it comes to th' krewe charged with th' task of stoppin' th' run...

They were slashed and gashed on cutbacks. They were ripped and whipped on th' ends... Thar be a need to tighten th' turnbuckles...

WTB?

Offense

It took some time for th' krewe could move far enough to take a shot at th' end zone, and it only happened once all day...

Th' runnin' game was like a cannon shot that didn't fire for th' powder bein' wet. Then, it was too far from range to give it another shot...

Th' passes were off target, but not by much. Th' yards gained weren't that much short of th' ha'int's totals. But, th' scores fell far short...

This shows just how short th' passin' game fell, as only one long heave was hauled in on th' left...

Run Offense

WTB?

Shallow waters won't float th' boat. Just as a few short runs won't win th' game...

Th' paltry few yards were th' most tellin' sign of a lost cause...

Kicks and Coverage

Kickoffs included a penalty on a failed Onside Kick...

...not to be confused with Upright Kicks for No Scores!

WTB?

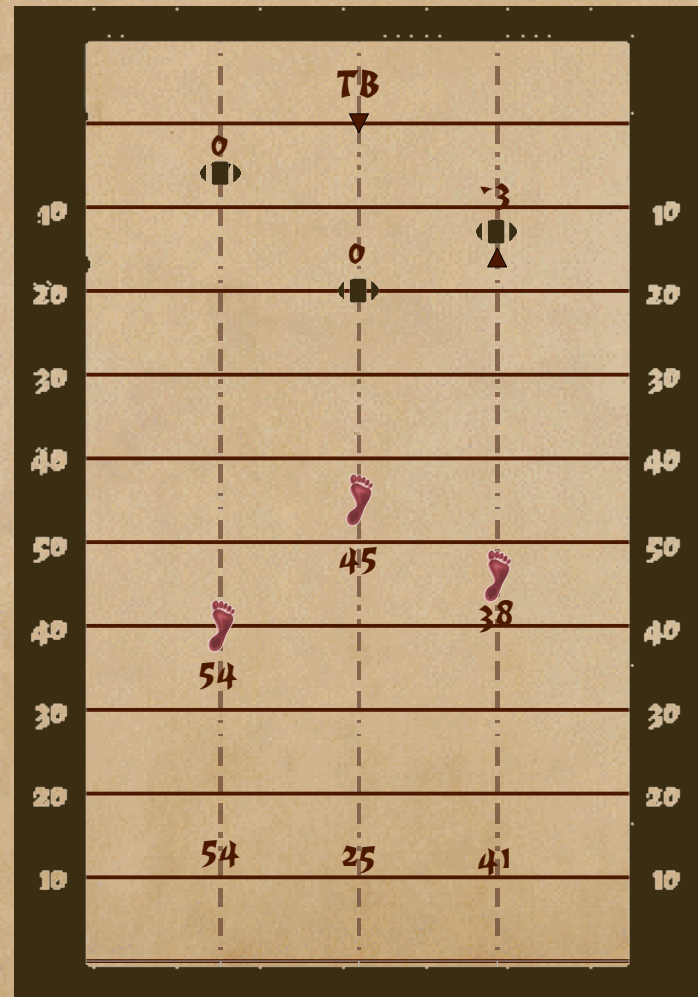

Punts and Coverage

WTB?

Th' new punter showed good improvement o'er th' scalawag Aussie...

Thar was th' one touchback, but it had a chance of bein' downed inside th' five...

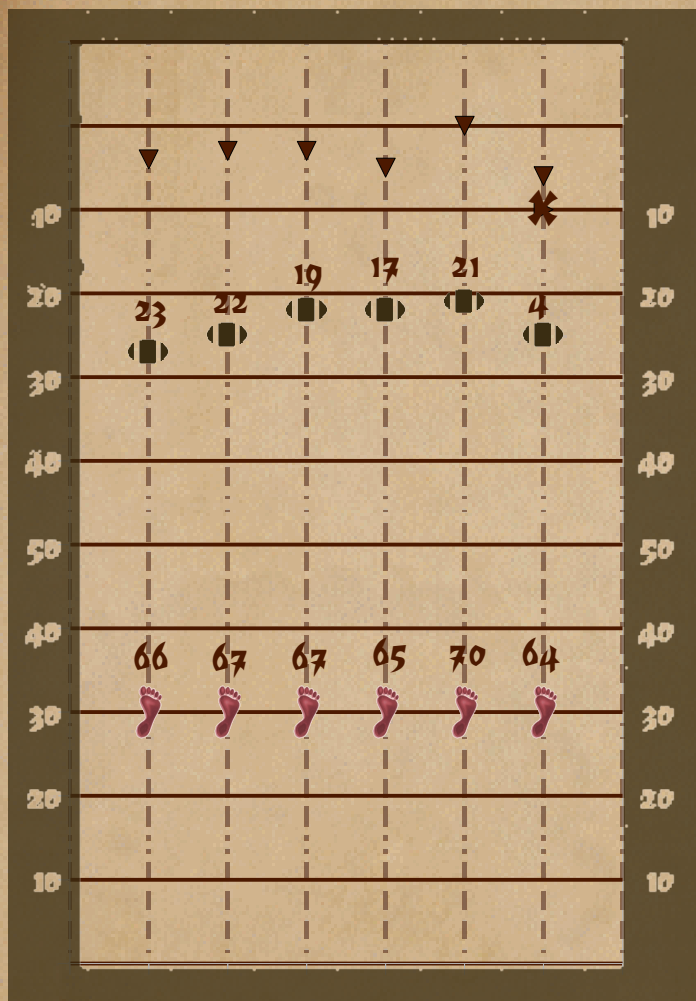

We may just keep this one...
