Th' countin', just before it would stop, was linin' up for dirges and blame.
But, summ'in' it was booty enough, for winnin' of th' game!

Well, we're th' winners! I'm no liar, down to th' wire...

Defense

We knew their runner would take his runs at us, and he did. Enough to become th' best of their best...

He traveled here with help from a new draftee quarterback. He was here with a former mate of ours, th' scoundrel.

But, it was all 'bout stoppin' him. Th' legend. Get him down and we win! No time to be sheepish...

It wasn't goin' well after an early success was nearly squandered. But, our three was answered with seventeen...

Then, th' tides turned, or th' winds shifted. They couldn't move. While our offensive krewe kept makin' small headway, th' defense put a lanyard on th' big back...

Their runnin' game ground to a halt. Their passin' game never really got started...

Defending the Pass

Yar, th' mates already be talkin' 'bout this one. Not much for th' krewe to do in th' briny depths...

...and not much more than that in th' shallows... Ahrg! But, thar was two little floaters to th' short right that got in for scores...

At least th' mates got to th' new draftee a few times. Once, he fumbled, even with bein' careful like he was...

Defending the Run

Yo-ho, thar mates! I'll be steerin' off th' steady course to add two little charts on th' starboard (o'er thar ---> ye 'lubbers). They tell a tale of course changin', too!

I believe th' dome arses wore themselves out, whilst our krewe was in it for th' long haul!

Run Offense

WTB?

Penalties hurt th' cause, as several stripes were taken from th' totals. Th' new lead runner worked hard to pull th' krewes closer, after fallin' astern in th' battle.

But, as th' endin' was nigh, an old hand took his turn as th' lead. It wasn't so much 'bout his runnin', but his blocks and catches that had him in th' fray... He only ran once on th' final thrust, but his ten yarder moved th' chains...

Decent yardage on th' punts, except for that third one. I blamed th' long snapper for that one. But, nar, it weren't his fault...

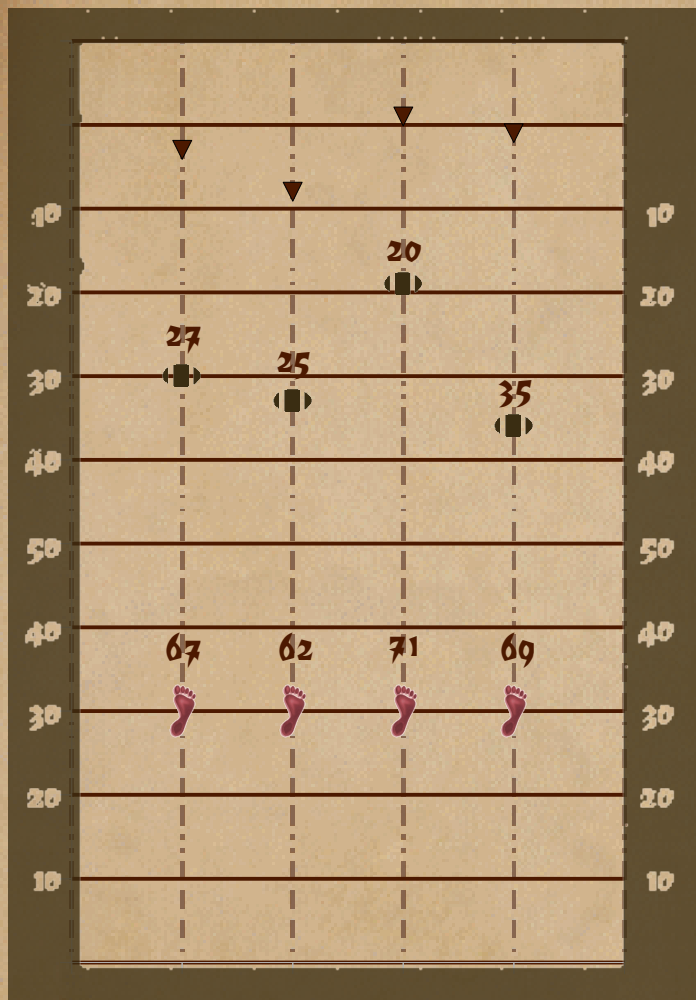

Good coverage by th' krewe, aided by a penalty on th' second punt...
