SMOKED

Week 3 Loss... 38-13

WTB?

Steelers Scourge Stadium

The one that got away just returned to the bay, bringing hordes of yellow to cheer him...

Early on it would seem his disciple could dream, but the tale of the battle soon turned grim...

As the battle's smoke grew o'er the Good Ship and krewe, safety was all one man could pray for...

But, battenning down Batches was not done for true, so the weathered head tossed uno, dos, tres scores...

It was not just the throws, as this reckoning shows, that ran the Good Ship aground...

The invasion was mighty, the foul wind she blows, and the krewe was beaten all 'round...

Even the counter attacks were taken aback, when the young krewe would stumble...

The boys against men tried again and again, only met with tips, picks and fumbles...

So, what did we learn as we put this astern? And we keep the good dream afloat...

As we're left on the reef to burn, I think we're going to need a bigger boat!!!

...

Defense

Chumbuckets at hand, me hearties...

Beware, all who enter here!

Th' outing started well with a pick of a pass... But, all too soon, th' weak link was found... With coverage not wantin', but awareness not thar, a chain of four big scores went unbroken... At times it would feel like th' only thing that would stop was time, itself!

But, even time started up again, after that midway break... This go 'round wasn't nearly so painful... We managed a stop, gave up three points, then another pass was stolen...

Alas, th' damage done early couldn't be undone late...

Defending the Pass

Yarr, it was a kick in th' arse...

Th' one saving grace was that they didn't throw to th' deep right side...

Touchdowns given up in th' deep middle and right, you've got to hand it to 'em...

A third touchdown was deemed by Lord Goodell's men to be "short" middle. But, it was nine yards to th' end zone, and nine more yard in...

Defending the Run

Once th' pillagin' was under way on th' attack by the pass, the enemy forced their will with th' ground game... and scored one on the run, too...

Of good note... th' stealer's trickery and deceit was not damaging. An attempt on fourth down and one was stopped, as were some end around plays...

Offense

To th' rails, if yer goin' to heave!
Run thar, smartly...

Thi' krewe marked the fray with as many points against
as points for...

With fumble and pick offs and several yellow flags,
the krewe found little headway... That's not what thi'
Cap'n ordered...

So, we saw some new blood get thar feet wet, and
they did manage to score a touchdown...

Too little... Too late...

Pass Offense

WTB?

A fear of the deep is no way for a pirate to be... Only one long toss made it's mark... But, that strike setup th' only touchdown of the game for th' krewe...

YARDAGE	0	22	0
ATTEMPTS	2	1	0
COMPLETIONS	0	1	0
	Deep Left	Deep Middle	Deep Right

The short shots gained well in th' middle, to th' right side th' most...

But, th' left side short toss was a perilous play, and cost us a score goin' th' other way...

YARDAGE	20	87	122
ATTEMPTS	9	10	15
COMPLETIONS	5	9	11
	Short Left	Short Middle	Short Right

Four times sacked, one pass picked, and one time fumbled...

Five quarterback hits, five passes defended... Th' heat was on!

Run Offense

WTB?

There were no long gains from the running krewe, and some of the moderate rushes were taken back for indiscretions... Th' successes that were had came mainly on the sides. But, th' right guard gap yielded some yardage... Th' middle gap had the misfortune of a bad snap added to th' already low numbers...

YARDAGE	11	2	3	4	26	0	30
AVERAGE	5.5	2	1.5	0.67	5.2	0	7.5
ATTEMPTS	2	1	2	6	5	0	4
	Left End	Left Tackle	Left Guard	Middle	Right Guard	Right Tackle	Right End

Punts and Coverage

Thar were few returns, as th' punts went too far skywards...

Attention must be paid to this detail, else th' Aussie should be sent down under!

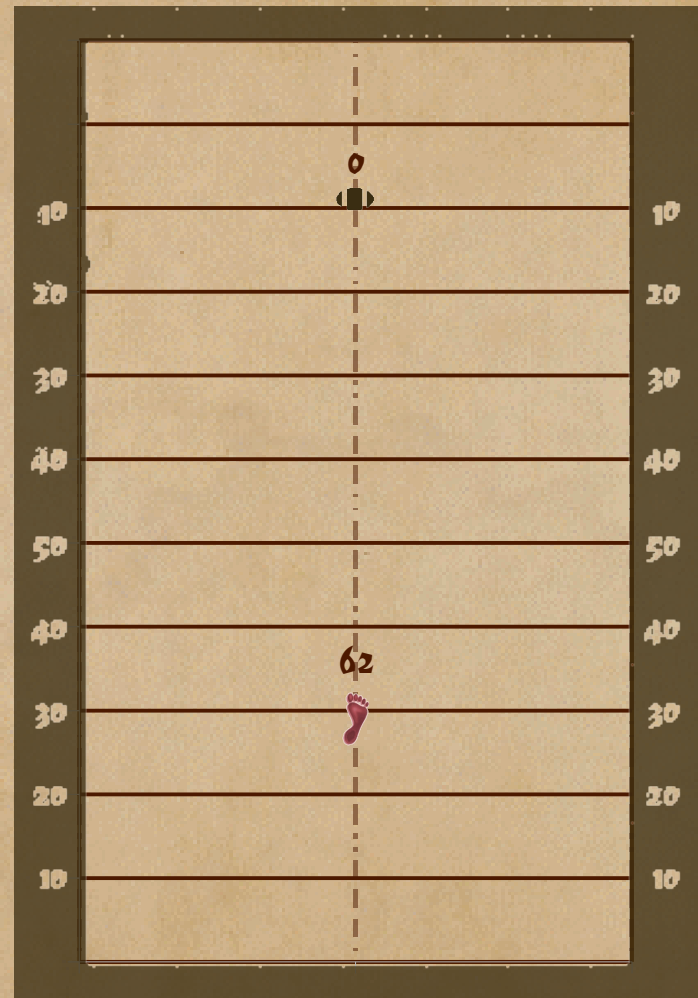

Th' 'X' marks th' spot of th' penalty that took fifteen stripes...
